

I Survived the Coronavirus Pandemic

- A primary source is an eyewitness account of an event. A first-hand, original source! YOU are currently experiencing something that will go down in the history books!
- What is a pandemic? A pandemic is a widespread occurrence of an infectious disease that has spread across a large region, typically across multiple continents or worldwide.
- Think of this as an “I Survived” book. You will be keeping a journal to document this historic event!

- This is your journal, so share what you feel! Be as detailed as you can (feelings, dialogue, things you notice). You are the author of your own story and you want the reader to feel as though they are a part of it! Don't feel limited to just words- you can also draw, doodle, record yourself, or create a video to document a day in the life of YOU!
- Each day this week you will be given a prompt that you will add to your journal.
- Writing your journal:
 - Write on notebook paper
 - Type in Word Document
 - PowerPoint (each chapter/prompt will be a new slide)
- Each prompt can be considered a new chapter.
- Feel free to add drawing or illustrations for your journal entries.
